

## VAT Certificate Declaration – Domestic use

A VAT Certificate Declaration must be submitted for each site/premises that qualifies for reduced rate VAT relief. Please include all meters at the site/premises.

If we are not informed of any entitlement to reduced rate VAT relief, subject to any supplies that qualify for the relief through de minimis consumption, sites will be charged at the standard rate of VAT.

Please complete this VAT Certificate Declaration and email it to [customerdata@engie.com](mailto:customerdata@engie.com) or post to the address at the bottom of this form. Please be aware if the information is incomplete and cannot be validated there may be a delay in the relief being applied to your invoices.
